

# Elite

## SINGLE POLE EXPOBAN 24008030

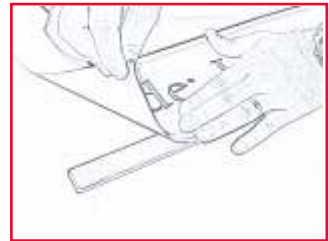

### Assemble Instruction

1. Layout the printed image banner on top of a table and place the adhesive strip on the edge of the top and bottom borders on the Aluminum Rods (2).

3. Place the Plastic Connectors (4) one in the bottom Rod (2) and the other in the top Rod (2).

2. Open up the base on an "X" shape like (1) and place the Aluminum Tubes (3) on the Base (1) by putting some pressure on them.

4. Place both top and bottom Connectors (4) on the Aluminum Tubes (3) and put some pressure until inserted. Expand the Plastic Connectors (4) until image banner has been extended.

Note: the size of the banner can be adjusted to fit a maximum of 24" width and 78" height.
